PE: Shorts and T-shirts, plimsolls

We sell royal blue shorts and light blue t-shirts with school logo and PE bags.

- § All clothing and shoes should be clearly marked and the child taught to recognise his/her name.
- § PE clothing should give unrestricted movement without being loose – shorts and T-shirt. No footwear will be worn in the hall for PE, unless for medical reasons. Plimsolls are worn for outside activities.
- § Children will need to keep PE kit in a named bag and this will be sent home to be washed at weekends.
- § All jewellery/watches must be removed for PE – if earrings cannot be removed they must be secured with either surgical or masking tape which you must provide and teach your child to use.
- § Changing at school can be a frustrating experience for a child so the most successful garments and shoes are those a child can manage confidently by itself (ie please keep buttons and laces to a minimum).
- § Please ensure all items of clothing and shoes are of a sensible and practical nature. For health and safety reasons, comfortable, sensible footwear is important. High fashion shoes and shoes with more than a basic heel are unsuitable.
- § Please note that we do not have enough space for backpacks or large sports bags in our cloakrooms.
- § Please ensure your child's hairstyle is suitable for an active school day. Long hair must be kept tied back. Extreme hairstyles are inappropriate for school.
